Salute Jacques & Sylvie,

Mille grazie for a wonderful stay in your second and brand-new house!

The boys: David, Mel and Sem
(11) (11) (9)
were already quite impressed when we just arrived. They said oh and ah when seeing the private swimming pool, flat screen tv, their own bedroom with airco and an even bigger bath room with massage shower 😊.

We all really enjoyed the wonderful view, the privacy up here, your kind welcome, the house itself, the garden, the barbecue and all the gadgets ...
